

BEFORE ENTERING THE MUSEUM

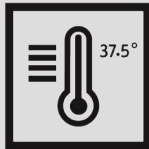

Access to civic museums is restricted due to Covid-19; **tickets must be prebooked on line** at <http://bigliettimusei.comune.fi.it/>

Download the brochure with maps of the museum directly onto your mobile phone from <https://cultura.comune.fi.it/musei>. It'll help you find your way around and get the most out of the museum's collection during your visit.

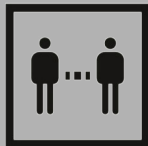

ENTERING THE MUSEUM

Your ticket comes with a **bar code**; show it, on your phone or tablet, to staff at the entrance. You'll be helping the environment by not printing it and it'll mean a saving for you too!

Your temperature will be taken before you enter the museum. We can't let you in if you have a **temperature of 37.5°C (99.5°F)** or over, or show respiratory infection symptoms.

IN THE MUSEUM

Please keep at a **distance of 1.8 mt. (6 ft.)** from everyone except your own family at all times.

You must wear a **mask** covering your nose and mouth at all times.

Please **sanitise your hands** using the disinfectant provided at the entrance and at various points in the museum.

Only a **limited number of visitors** may access the cloakroom, toilets or bookshop at any one time.

Please **don't sit** on the floor or stairs, **or touch** the fixtures and fittings.

If you feel at all unwell, or **for any other requirement**, please alert a member of staff.

These measures apply to all visitors, **including group members**.

Staff are legally required to enforce all Local Authority measures.
